Mono Solutions (short description)

Mono Solutions provides a Software-as-a-Service (SaaS)-based platform for the design, delivery and management of professional, responsive websites and e-commerce. We help our resellers to efficiently and cost-effectively deliver high quality online presence solutions to small- and medium-sized businesses (SMBs) through our platform, along with our partner network of distinguished digital service providers of search engine marketing (SEM), search engine optimization (SEO), fulfillment, domains and emails, online booking, call tracking and other complementary services.
